Independent Auditors' Report

Report on the Financial Statements

Opinion

We have audited the financial statements of Victor Valley College Foundation, Inc., which comprise the statements of financial position as of June 30, 2022 and 2021, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of Victor Valley College Foundation, Inc., as of June 30, 2022 and 2021, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Victor Valley College Foundation, Inc., and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Victor Valley College Foundation, Inc.'s ability to continue as a going concern for one year after the date that the financial statements are issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

www.SMCO.cpa

Franklin, TN • Lake Arrowhead, CA • Redlands, CA

In performing an audit in accordance with GAAS, we:

Exercise professional judgment and maintain professional skepticism throughout the audit.

Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Victor Valley College Foundation, Inc.'s internal control. Accordingly, no such opinion is expressed.

Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Victor Valley College Foundation, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control–related matters that we identified during the audit.

A handwritten signature in blue ink that reads "Smith Marion & Co." in a cursive script.

Note 1 - Summary of Significant Accounting Policies

Nature of Activities

Victor Valley College Foundation, Inc., (the "Foundation") is a not-for-profit organization whose purpose is to support the operations and the students of Victor Valley Community College. The Foundation elicits donations for scholarships to needy and deserving college students. The Foundation also develops resources and makes grants to support college educational programs.

Basis of Accounting

The Foundation maintains its accounting records on the accrual basis of accounting whereby revenues are recorded when earned and expenses are recorded when the obligation is incurred.

Basis of Presentation

The Foundation reports information regarding its financial position and activities according to two classes of net assets: net assets without donor restrictions and net assets with donor restrictions. The following provides an explanation of net assets categories included in the accompanying financial statements:

Net Assets without Donor Restrictions – Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of the Foundation. These net assets may be used at the discretion of the Foundation's management and the board of directors.

Net Assets with Donor Restrictions – Net assets subject to stipulations imposed by donors and grantors. Some donor restrictions are temporary in nature; those restrictions will be met by the actions of the Foundation or by the passage of time. Other donor restrictions are perpetual in nature, whereby the donor has stipulated the funds be maintained in perpetuity.

Donor restricted contributions are reported as increases in net assets with donor restrictions. When a restriction expires, net assets are reclassified from net assets with donor restrictions to net assets without donor restrictions in the statements of activities.

Cash and Cash Equivalents

For purposes of the statement of cash flows, the Foundation considers all highly liquid investments available for current use with an initial maturity of three months or less to be cash and cash equivalents. Cash and highly liquid financial instruments restricted to endowments that are perpetual in nature, or other long-term purposes are excluded from this definition.

Pledges and Grants Receivable

Pledges and grants receivable are stated at the amount management expects to collect from outstanding balances. Management provides for uncollectable amounts through reduction in revenues related to those uncollectable amounts.

Property and Equipment

Property and equipment are reported at cost if purchased or at fair value at the date of donation. Property and equipment are capitalized if the cost of an asset is greater than or equal to \$1,000 and the useful life is over one year. Depreciable property and equipment are depreciated to 10% of its cost. Depreciation is provided using the straight-line method over the estimated useful lives of the related assets as follows:

Office equipment	5-10 years
------------------	------------

Investments

Investments are recorded at cost at the time of purchase, or if donated, at fair value on the date of donation. Thereafter investments are reported at their fair values in the statements of financial position. Net investment return/(loss) is reported in the statements of activities and consists of interest and dividend income, realized and unrealized capital gains and losses, less external and direct internal investment expenses.

Contributions

Contributions are recognized when cash, securities or other assets, an unconditional promise to give, or notification of a beneficial interest is received. Conditional promises to give are not recognized until the conditions on which they depend have been substantially met.

In-Kind Contributions

Contributed goods are recorded at fair value at the date of donation. Donated professional services are recorded at the respective fair values of the services received. In-kind contributions of items that the Foundation ultimately puts to use are recorded as expenses, or, if they qualify, are capitalized as fixed assets.

Functional Allocation of Expenses

The costs of program and supporting services activities have been summarized on a functional basis in the statements of activities. The statement of functional expenses presents the natural classification detail of expenses by function. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates, and those differences could be material.

Income Taxes

The Foundation is exempt from income tax under IRC section 501(c)(3), though it is subject to tax on income unrelated to its exempt purpose, unless that income is otherwise excluded by the Code. The Foundation has processes presently in place to ensure the maintenance of its tax-exempt status; to identify and report unrelated income; to determine its filing and tax obligations in jurisdictions for which it has nexus; and to identify and evaluate other matters that may be considered tax positions. The Foundation has determined that there are no material uncertain tax positions that require recognition or disclosure in the financial statements.

(A Non-Profit Organization)

Notes to Financial Statements

For the Years Ended June 30, 2022 and 2021

Disclosure About Fair Value of Assets and Liabilities

Victor Valley College Foundation, Inc. adopted the standard for Fair Value Measurements. The Accounting principle for fair value measurements defines fair value, establishes a framework for measuring fair value and expands disclosure about fair value measurements.

The Foundation defines fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The standard also establishes a fair value hierarchy which requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. The standards three levels of inputs that may be used to measure fair value:

Level 1: Observable prices in active markets for identical assets or liabilities.

Level 2: Observable inputs other than Level 1 prices such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full-term of the assets or liabilities.

Level 3: Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities.

Reclassifications

Certain reclassifications of amounts previously reported have been made to the accompanying financial statements to maintain consistency between periods presented. The reclassifications had no impact on previously reported net assets.

Note 2 - Liquidity and Availability

Financial assets available for general expenditure, that is, without donor or other restrictions limiting their use, within one year of the balance sheet date, comprise the following:

Cash	\$	942,863
Short-term investments		54,782
Other investments		520,872
Pledges and grants receivable		<u>43,326</u>
Financial assets available for general expenditure within one year, net	\$	<u>1,561,843</u>

Our endowment funds consist of donor-restricted endowments income from donor-restricted endowments is restricted for specific purposes, with the exception of the amounts available for general use. Donor-restricted endowment funds are not available for general expenditure.

Note 3 - Pledges and Grant Receivables

Receivables at June 30, 2022 and 2021, consisted of the following:

	<u>06/30/22</u>	<u>6/30/21</u>
Pledges and grant receivables	\$ 46,106	\$ 56,094
Allowance for uncollectible receivables	<u>(2,780)</u>	<u>(2,624)</u>
Pledges and grant receivables, net	<u>\$ 43,326</u>	<u>\$ 53,470</u>

Victor Valley College Foundation, Inc.

(A Non-Profit Organization)

Notes to Financial Statements

Total long-term investments	<u>\$ 3,000,110</u>	<u>\$ 3,000,110</u>	<u>\$ -</u>	<u>\$ -</u>

Note 6 - Concentration of Credit Risk

From time to time, the Foundation maintains bank balances in excess of the federally insured limits. This risk is mitigated by utilizing only highly rated financial institutions. Bank accounts with California Business Bank are fully insured, under Title 5, Division 2, Part 1, Chapter 4, article 2 of the Government Code of the State of California. The Foundation at June 30, 2022 and 2021, had no uninsured bank balances.

Note 8 - Endowment Funds

Victor Valley College Foundation, Inc.'s Board of Directors has interpreted the State Prudent Management of Institutional Funds Act (SPMIFA), as requiring the preservation of the fair value of the original gift as of the date of the donor-restricted endowment funds, unless there are explicit donor stipulations to the contrary. Accordingly, the Foundation retains in perpetuity a) the original value of the gifts donated to permanent endowment, b) the original value of subsequent gifts to the permanent endowment, and c) accumulations to the permanent endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund. The remaining portion of the donor-restricted endowment fund that is not classified as perpetual in nature is classified as purpose restricted net assets until those amounts are appropriated for expenditure by the Foundation in a manner consistent with the standard of prudence prescribed by SPMIFA.

In accordance with SPMIFA, the Foundation considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds: 1) the duration and preservation of the various funds, 2) the purposes of the donor-restricted endowment funds, 3) general economic conditions, 4) the possible effect of inflation and deflation, 5) the expected total return from income and the appreciation of investments, 6) other resources of the Foundation, and 7) the Foundation's investment policies.

Investment Return Objectives, Risk Parameters and Strategies. Victor Valley College Foundation, Inc.'s investment policy stipulates that a prudent portion of monies are to be placed in interest-bearing accounts, to maximize the potential earnings on the gifts. The general rule for acceptable investments for the aggregated endowment funds (federal and non-federal) are savings accounts or in low-risk securities in which a regulated insurance company may invest under the law of the State in which the institution is located. This typically includes "savings accounts" such as a federally insured bank savings account, a comparable interest-bearing account offered by a bank, or a Money Market fund. "Low-risk securities" includes Certificates of Deposit, mutual funds, stocks, or bonds.

Spending Policy. Income from the endowment may be spent for costs necessary to operate the Foundation, including general operating and maintenance costs, costs to administer and manage the endowment fund, and costs associated with buying and selling securities, such as stockbroker commissions and fees to "load" mutual funds. Income from the endowment cannot be spent for a school or department of divinity or any religious worship or sectarian activity, an activity that is inconsistent with a State plan for desegregation applicable to the grantee, or an activity that is inconsistent with a State plan applicable to the grantee.

Notes to Financial Statements

For the Years Ended June 30, 2022 and 2021

Note 10 - Funds Raised on Behalf of Victor Valley College

The amount of grants, contracts, and community education funds raised on behalf of Victor Valley College that did not go directly through our books and went straight to Victor Valley College is \$1,252,000 and \$3,050,000 for the fiscal years ended June 30, 2022 and June 30, 2021, respectively.

During the year ended June 30, 2021, Victor Valley College received a five-year grant from the U.S. Department of Education to improve institutional stability and opportunities for Hispanic and low-income students. As a part of the grant agreement the Foundation has made the commitment to raise non-federal funds of \$120,000 annually for the endowment. The income from this endowment will be used to support Victor Valley College in perpetuity.

Note 11 - Event and Other Revenue

The following identifies the gross event revenue and direct event expenses:

	<u>6/30/22</u>	<u>6/30/21</u>
Event revenue	\$ 159,964	\$ 134,996
Less: direct expenses	102,002	67,737
Event revenue (net)	<u>\$ 57,962</u>	<u>\$ 67,259</u>

Note 12 - In-Kind Contributions

The Foundation received the following in-kind contributions for the year:

	<u>6/30/22</u>	<u>6/30/21</u>
Donated office equipment	\$ 607	\$ 1,169
Donated equipment/supplies	31,756	34,885
Donated hospitality	327	263
Donated rent	-	141,158
Donated utilities	-	64,500
Donated vehicles	4,500	-
	<u>\$ 37,190</u>	<u>\$ 241,975</u>

Note 13 - Contingencies

COVID-19

On March 11, 2020, the World Health Foundation declared the novel strain of coronavirus (COVID-19) a global pandemic and recommended containment and mitigation measures worldwide. The COVID-19 outbreak in the United States has caused business disruption through mandated and voluntary closings of businesses and shelter in place orders for all but those deemed essential services. While the business disruption is currently expected to be temporary, there is considerable uncertainty around the duration of the orders. The Foundation has adapted its methods for providing services in order to continue operations and serve its constituents. Management is carefully monitoring the situation and evaluating its options during this time. It is possible that this matter may negatively impact the Foundation, however, the ultimate financial impact and duration cannot be estimated at this time, and no adjustments have been made to these financial statements as a result of this uncertainty.

Note 14 - Subsequent Events

Management has evaluated activity of the Foundation through October 25, 2022, the date on which the financial statements were available to be issued and concluded that no subsequent events have occurred that would require recognition in the financial statements or disclosure in the notes to the financial statements.
