INDEPENDENT AUDITORS' REPORT

To the Board of Directors
Victor Valley Community College District Foundation
Victorville, California

We have audited the accompanying statements of financial position of Victor Valley Community College District Foundation as of June 30, 2011 and 2010, and the related statements of activities, functional expenses, and cash flow for the years then ended. These financial statements are the responsibility of the organization's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion the financial statements referred to above present fairly, in all material respects, the financial position of Victor Valley Community College District Foundation as of June 30, 2011 and 2010 and the results of its operations and its cash flows for the years then ended, in conformity with accounting principles generally accepted in the United States of America.

Notes to Financial Statements
June 30, 2011 and 2010

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Activities

Victor Valley Community College District Foundation (the "Foundation") is a not-for-profit organization whose purpose is to support the operations and the students of Victor Valley Community College. The Foundation elicits donations for scholarships and loans to needy and deserving college students. The Foundation also develops resources and makes grants to support college educational programs.

Basis of Presentation

The financial statements have been prepared on the accrual basis of accounting in accordance with generally accepted accounting principles. In the accrual method, revenue is recognized when earned and expenses are recognized when incurred.

The Foundation has adopted Statement of Financial Accounting Standards (SFAS) No. 117, "Financial Statements of Not-for-Profit Organizations". Under SFAS No. 117, the Organization is required to report information regarding its financial position activities according to three classes of net assets: (1) unrestricted net assets, (2) temporarily restricted net assets, and (3) permanently restricted net assets. These classifications are defined as follows:

- (1) *Unrestricted net assets* - Net assets that are not subject to donor-imposed stipulations.
- (2) *Temporarily Restricted Net Assets* - Net assets subject to donor-imposed stipulations that may or will be met, either by actions of the Foundation and/or the passage of time. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.
- (3) *Permanently Restricted Net Assets* - Net assets subject to donor-imposed stipulations that they be maintained permanently by the Foundation. Generally, the donors of these assets permit the Foundation to use all or part of the income earned on any related investments for general or specific purposes.

As permitted by the Statement, the Foundation does not use fund accounting.

Contributions

The Foundation also adopted SFAS No. 116, "Accounting for Contributions Received and Contributions Made", whereby contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support depending on the existence and/or nature of any donor restrictions. Restricted net assets are reclassified to unrestricted net assets upon satisfaction of the time or purpose restrictions. The adoption had no cumulative effect on the net assets at the date of adoption. As permitted by SFAS No. 116, the Foundation records restricted contributions spent during the year as unrestricted.

In-Kind Contributions

The Foundation recognizes the estimated value of in-kind contributions when received and the transfer of some of the funds received for the use of the College at the same value. In-kind contributions of items that the Foundation ultimately puts to use are recorded as expenses, or, if they qualify, are capitalized as fixed assets.

Public Support

Contributions received from the public are recognized as public support when received.

Notes to Financial Statements
June 30, 2011 and 2010

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, Continued

Cash and Cash Equivalents

For purposes of the statement of cash flows, the Foundation considers all highly liquid investments available for current use with an initial maturity of three months or less to be cash equivalents.

Property and Equipment

Purchased property and equipment are capitalized at cost and depreciated on a straight-line basis over the estimated useful lives ranging from five to ten years.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from these estimates.

Income Taxes

The Foundation is a not-for-profit organization that is exempt from federal income taxes under Section 501 (c)(3) of the Internal Revenue Code and classified by the Internal Revenue Service as other than a private foundation. It is exempt from state taxes under Revenue and Taxation Code Section 23701c.

NOTE 2 – RECEIVABLES

Pledges and Grants Receivable

Pledges and grants receivable are stated at the amount management expects to collect from outstanding balances. Management provides for probably uncollectible amounts through reduction in revenues related to these uncollectible amounts.

	6/30/11	6/30/10
Receivables	\$ 61,596	\$ 321,784
Allowance for uncollectible pledges	(5,575)	(22,062)
Total pledges receivable	\$ 56,021	\$ 299,722

	6/30/11	6/30/10
Receivables	\$ 57,361	\$ 31,363
Allowance for uncollectible loans	(2,894)	(1,394)

NOTE 4 - DONATED LAND

During the year ending June 30, 2010 the Foundation received an in-kind donation of 4 ¹/₂ acres of vacant land located in Hesperia, California. It was recorded at its appraised value of \$1,845,000 and is being held for future use by the Foundation.

NOTE 5 - PROPERTY AND EQUIPMENT

During a prior fiscal year, the Foundation received a Boeing 727-100 aircraft as an in-kind donation. It has been put to use as an educational tool. It was recorded as property and equipment at its estimated scrap value of \$450,000 as determined by an independent firm familiar with such aircraft. As an educational tool, it is assumed to have an unlimited useful life, therefore, no depreciation will be recorded on it.

NOTE 6 - CONCENTRATION OF CREDIT RISK

From time to time, the Foundation maintains bank balances in excess of the federally insured limits. This risk is mitigated by utilizing only highly rated financial institutions. At June 30, 2011 and 2010, the Foundation had approximately \$644,500 and \$231,000, respectively, in excess of the federally insured limit.

NOTE 7 - SUBSEQUENT EVENTS
